Dissertation Committee Form

Instructions

Dissertation committee requirements:

- Committees must consist of a Chair and at least three additional members.

-- This form MUST be submitted listing the committee chair prior to taking the first qualifying examination. All committee members and signatures must be complete prior to scheduling your proposal defense.

- The Chair and at least one additional member of the committee must be faculty affiliated with the Global Governance and Human Security Program.

- At least one member of the committee must be from outside UMass Boston.

- A CV must be provided for all members of the committee from outside UMass Boston.

- All committee members must have a terminal degree in their field, and must have a record of scholarly publication within a period of five years prior to the formation of the committee.

- Each committee member must sign this form to indicate willingness to serve. If a signature is not feasible, attach a letter or email from the member indicating consent.

- Students can change committee members; all changes in committee membership require the submission of a new version of this form.

- A different form formalizing committee membership and requiring the signature of the Dean of Graduate Studies (Dissertation Tracking Form Stage 2), is necessary upon entering candidacy. Once the Stage 2 form has been signed and returned by the Dean, it supersedes GGHS Form A.
